## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dean Small on November 10, 2004.

The application has been amended as follows:

On Claim 1, Line 3, change "a top wall, a bottom wall and side walls" to -- a long top wall, a long bottom wall and short side walls--.

### ***Allowable Subject Matter***

2. Claims 5 and 7-9 are allowed for the reasons stated in the Office Actions of August 14, 2003 and February 18, 2003.

3. Claims 1-4, 6 and 17-20 are allowed.

The references fail to teach, disclose, or suggest, either alone or in combination, the housing having a long top wall, a long bottom wall and short side walls and the

beam disposed along one of the sidewalls and in combination with the rest of the limitations of the base claim.

The Examiner's amendment was made to clarify that the beam is disposed along one of the short sidewalls to distinguish over the Myer et al. reference.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
